The San Joaquin Valley Center for Air

Assessment and Injustice Reduction

(SJV-CAIR) with UC

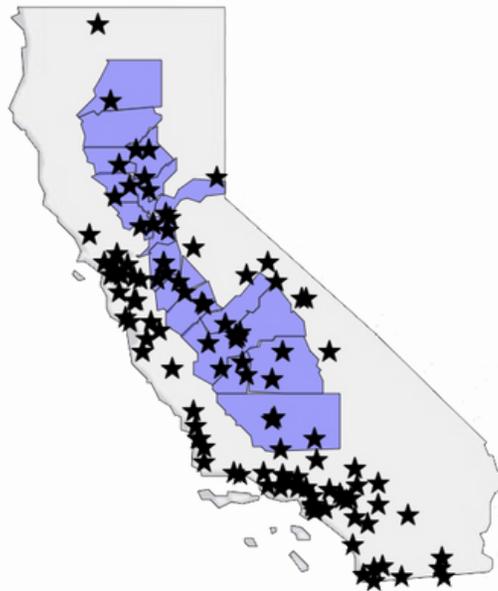

Merced is looking for
volunteers to host air
quality monitors!

logo space holder

You can participate if:

- You have Wi-Fi
- You have an outdoor plug
- You speak Spanish or English
- Your live is in Stockton, Fresno, or other areas in the San Joaquin Valley

JOIN THE CENTRAL VALLEY ON THE MAP

What does participation involve?

- We will ask you to allow us to set up a PurpleAir monitor outside of your home. A PurpleAir monitor is a small device that monitors the quality of the air.

Why should I participate?

- Help us understand how certain air pollutants impact your communities.

Do I have to participate?

- No, your participation is voluntary.
